NEW RIVER RESOURCE AUTHORITY LITTER PREVENTION ASSISTANCE PROGRAM FY 2024/2025

The NRRA owns and operates the Regional Solid Waste Management Facility on Cloyd's Mountain, the two closed landfills on Ingles Mountain, and the Mitigation Property located in Floyd County. The Regional Solid Waste Management Facility serves Pulaski County, Giles County, Town of Dublin, City of Radford, Montgomery Regional Solid Waste Management Authority, Floyd County, Wythe County, Bland County and all incorporated towns within these jurisdictions.

The New River Resource Authority (NRRA) Board of Directors have established a Litter Prevention Assistance Program for the Member Jurisdictions of the NRRA and is subject to funding each fiscal year. The Program Funds for FY 2024/2025 will be up to $5,000 per Member. Applications will be accepted from June 1, 2024, until April 15, 2025.

Funds must be expended in compliance with state and federal laws. The aim of the Program is to help tax-exempt, non-profit organizations and local governments support litter prevention and clean up. Eligible applications must be submitted by qualified non-profit, tax-exempt organizations, and local governments. The project or use of the funds must be within the NRRA member jurisdiction area and consistent with the Virginia Litter Prevention and Recycling grants.
